Sir:

We, OTSUKA PHARMACEUTICAL CO., LTD., do depose, declare and state that:

We are the Assignee of the entire right, title and interest of the invention described and claimed in the above-identified application, as evidenced by the Assignment recorded on April 19, 2002, at REEL 012820, FRAME 0506.

We agree that upon allowance and issuance of the above-identified application into a United States Patent, restriction on availability of:

KGN cell line, assigned FERM-8171

which is designated in the specification of the above-identified application and was deposited under the terms of the Budapest Treaty at the International Patent Organism Depository of the NIAIST in Japan on August 29, 2002, will be irrevocably removed.

STATEMENT OF AVAILABILITY
U.S. PATENT No. 10/029,862

Q67472

We agree that the above-identified cell line designated in the above-identified application will be maintained for a period of 30 years or 5 years after the last request for the deposit or for the effective life of any patent which issues on the above-identified application, whichever is longer;

We agree that if the deposit becomes non-viable, it will be replaced; and

We also assure access to the deposit to one determined by the Commissioner to be entitled thereto under 37 C.F.R. § 1.14 and 35 U.S.C. § 122.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.
